ABRASILVER ANNOUNCES CLOSING OF C\$10M BOUGHT DEAL PRIVATE PLACEMENT

Toronto, ON – December 06, 2022 – AbraSilver Resource Corp. ("**AbraSilver**" or the "**Company**") (TSXV: ABRA; OTCQX: ABBRF) is pleased to announce that it has closed its previously announced underwritten private placement financing (the "Offering"), including exercise in full of the underwriter's option. Pursuant to the Offering, the Company issued an aggregate of 27,027,000 units (the "Units") for gross proceeds of \$9,999,990.

Each Unit, priced at \$0.37 per Unit (the "Issue Price"), consists of one common share in the capital of the Company (each, a "Common Share") and one-half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant entitles the holder thereof to purchase one additional Common Share at an exercise price of \$0.50 until December 6, 2024.

The Company intends to use the net proceeds of the Offering: (i) to complete the ongoing Phase III drilling program on the Diablillos Project in the Salta province of Argentina; (ii) to commence and complete a drilling program on the La Coipita Project in the San Juan province of Argentina; (iii) to satisfy the Company's mineral interest commitments for the Diablillos Project and the La Coipita Project; and (iv) for working capital purposes, as further described in the Company's offering document under the Listed Issuer Financing Exemption dated November 29, 2022.

The Offering was led by a syndicate of underwriters, with Eight Capital acting as lead underwriter and sole bookrunner and including National Bank Financial Inc., Clarus Securities Inc., and Stifel Nicolaus Canada Inc. (collectively, the "Underwriters"). In connection with the Offering, the Underwriters received an aggregate cash commission in the amount of approximately \$565,000 and an aggregate of 1,527,075 non-transferable broker warrants (each, a "Broker Warrant"). Each Broker Warrant entitles the holder thereof to acquire one Unit at an exercise price of \$0.37 until June 6, 2024.

The Offering was completed pursuant to the Listed Issuer Financing Exemption (as defined in National Instrument 45-106 – Prospectus Exemptions), and the securities issued to purchasers in the Offering are not subject to a hold period pursuant to applicable Canadian securities laws.

The Offering is subject to the final approval of the TSX Venture Exchange (the "Exchange"). The securities issued to certain insiders of the Company in the Offering are subject to a four-month hold period ending on April 7, 2023 in accordance with the policies of the Exchange.

Certain directors of the Company participated in the Offering and purchased an aggregate of 190,000 Units. The insider participation in the Offering constitutes a related party transaction pursuant to Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("MI 61-101").

The Company has relied on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of related party participation in the Offering as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involved related parties, exceeded 25% of the Company's market capitalization as determined under MI 61-101.
