

## **Aethon Receives Final Court Order Approving Plan of Arrangement with AbraPlata and Announces Security Holder Voting Results**

**Toronto: December 16, 2019** - Aethon Minerals Corp. (TSX.V:AET) ("**Aethon**" or the "**Company**") is pleased to announce that it has received a final order (the "**Final Order**") from the Ontario Superior Court of Justice (Commercial List) dated December 16, 2019 approving the previously announced plan of arrangement (the "**Arrangement**"), between Aethon and AbraPlata Resource Corp. (TSX.V:ABRA; OTCPK: ABBRF) ("**AbraPlata**"). Pursuant to the Arrangement, all of the issued and outstanding Aethon common shares will be exchanged on the basis of 3.75 AbraPlata common shares for each Aethon share.

Receipt of the Final Order follows Aethon's special meeting of shareholders held on December 12, 2019, where the Arrangement was overwhelmingly approved by 99.35% of the votes cast by its shareholders. Closing of the Arrangement remains subject to customary closing conditions, including the final approval of the TSX Venture Exchange ("**TSX-V**"). Assuming the satisfaction or waiver of these remaining closing conditions, it is anticipated that the Arrangement will be completed on or about December 20, 2019, following which date Aethon will be delisted from the TSX-V.

### **About Aethon Minerals**

Aethon Minerals is a mineral exploration company focused on creating shareholder value. Aethon has a large prospective land position along prolific mining belts located in northern Chile. Aethon believes it is uniquely positioned for growth and is actively pursuing selective exploration-stage growth opportunities.
